

## QUOTES FROM: CELEBRATE WHAT'S RIGHT WITH THE WORLD

"Possibilities the world has to offer."

"Celebrate what's right with the world rather than wallow in what's wrong with it."

"I won't see it until I believe it." Rather than seeing is believing.

"I believed there would be beautiful landscapes to photograph and they would appear."

"I believe those landscapes would be full of wonderful people - - - they'd be there."

"Our vision controls our perception and our perception becomes our reality."

"Do you have a personal vision – just 6 words –?"

"If vision is clear than passion and creativity are there as well."

"See the light that shines not on us...but within us."

"We have to trust enough to let it out."

"Be open enough to see the beauty."

"Do we choose to see those possibilities?"

"Do we truly believe that they are there?"

"Perception controls our reality and if we don't believe it we won't see it."

"I just can't get into it. I'll do it tomorrow – then tomorrow turns into next week and next month - ."

"What's right with the situation, what are the possibilities?"

"It seems it was always there, if I was open enough to see it."

"Our vision can be a powerful force."

"Build a vision of possibility ---not scarcity --- possibility."

"Transform the ordinary into the extraordinary."

“How open to possibility does our vision allow us to be – open – really open – even if we know what the answer will be?”

“Celebrating what’s right with the world – it not only keeps us open to possibilities -- it gives us energy.”

“What’s right with the situation?”

“By celebrating what’s right --- we find the energy to fix what’s wrong.”

“The right vision – it keeps us open to possibilities, gives us energy and it makes us much more accepting of change.”

“Status quo is boring – and redundant.”

“The very thing that so often frightens us today – that awesome change curve we hear so much about the phenomenal rate of change in our society, is really your ally.”

“If you view it from a slightly different view it’s not a change curve at all – it’s a possibility curve!”

“Change is possibility.”

“We live in an exhilarating possibility curve perhaps we can’t control it but we can learn to ride it - - - to use its power to take us where we want to go.”

“When we believe it - - we will see it.”

“Trust it - - - come out to your edge - - - it’s on the edge you find the winds to take you higher - - - external & internal.”

“When I weave - - - I weave.” Learn to just be....

“There is no use walking anywhere to preach unless you are walking as your preaching.”

“Not just the best in the world – but the best FOR the world.”

“Give the very best you have to offer – whether it’s received or not.”

“Be lost in the very best you have to offer.”
