Diversity & Inclusion

Rutland's Nutrition Coalition

Vision:

Rutland County residents enjoy improved lifelong health and well-being through informed food choices.

Mission:

The Nutrition Coalition facilitates open exchange of ideas and information to address identified nutritional needs in the community/Rutland County.

Community Partners

- Health Care Sector
- Government Agencies
- Human Services Providers
- Non-Profit Organizations
- Education Sector

Alignment with Vermont's Prevention Framework

Assessment

Community Needs Assessment identified need for resources
- to support education, processing, food preparation, community meals

Capacity

Collaborative discussion about what was needed, and who could contribute in what way

Planning

Developed work plan, with assignments and utilizing available resources

Implementation

Produce resource, share out to community, and promote widely

Evaluation

Track usage, and share success stories (and review not so successful stories, to learn from)

Diversity & Inclusion

Food Farmacy Project

Farmacy Project Partnerships

- **Department of Health:** identify public health prevention strategies
- **Clinical Health Care Provider:** build collaborative partnership with organizations to address community health needs
- **Community-based organizations:** provide direct service in community settings; engage citizens in being part of solution

Farmacy Project Activities

- **Farmacy Project** “food as medicine” farm share prescription to patients, encourages fruit & vegetable consumption
- **Engages social determinants of health** linking clinical care and community based program
- **Mutually reinforcing activities** supports farmers & local economy; connects consumers with access & skills to build healthy behaviors

Project Evaluation & Outcomes

Dept of Health: track & support successful initiatives

Clinical: monitor patient participation & health indicators in EHR & during patient visits

Community Organization: collect self-reported pre and post surveys, member retention, & direct feedback

Social bonds - Shared Prosperity - Health & Wellbeing

Discussion questions

- Where are you on the Prevention Model?
- The Prevention Framework?
- Challenges?
- Successes?
- What might helpful to you to “move to the next step”?

Thank you!!
